Field Trip Planning Guide

How to Book a Field Trip

Groups of 15 students or more can schedule a fire safety field trip at Hall of Flame Museum by calling 602 275-3473. Teach young children how to prevent burns and what to do in a fire emergency through entertaining stories and programs. Older students learn about the evolution of fire technology through a guided tour of the museum.

The museum is open Tuesday-Saturday 10am to 6pm but field trips can be scheduled on Mondays as well.

Cost is a special group rate of $10/student and accompanying adults. There needs to be a minimum of 1 adult per 5 students actively supervising.

Before the Trip

1. Fun and informative stories about firefighting can be found on Hall of Flame's YouTube channel: https://youtube.com/c/HallofFlameFireMuseum
2. There are computer games from Arizona Burn Foundation: MiloandMoxie.org
3. Milo and Moxie videos from the Phoenix Fire Department are at: https://youtube.com/c/phxfd
4. Students need to know that there is no touching the fire trucks or barriers/chains surrounding them when visiting the museum.

During the Trip

1. When the bus arrives, please have the field trip leader come into the museum to make payment and meet the tour guide.
2. Food and drinks are not allowed in the museum but the tour guide can arrange a space to store lunches until the field trip is over. There are three outdoor picnic tables under a shady gazebo near the parking lot if you want to eat lunch at the museum.
3. Line the children up in single fine with their chaperones and the tour guide will then invite you into the museum.
4. Fire trucks and the surrounding barriers/chains cannot be touched, but there are two fun interactive areas to which the tour guide can direct you after the program.

After the Trip

1. Review the burn safety rules, Stop, Drop and Roll and Get Low-Get Out, Call 911. Many children get confused about when to do each action, so it's important to check for understanding.
2. Print out worksheets at: Sparkyfiredog.org
3. A homework suggestion is to have the students make a map of their home showing two ways to exit and marking their family's meeting spot. A blank map is available on Sparky.org.
4. If you would like to share pictures or reviews of how we did, please email those to webmaster@hallofflame.org
